

FACTSHEET

OUR CORPORATE STORY

www.wcn.life

OUR HISTORY

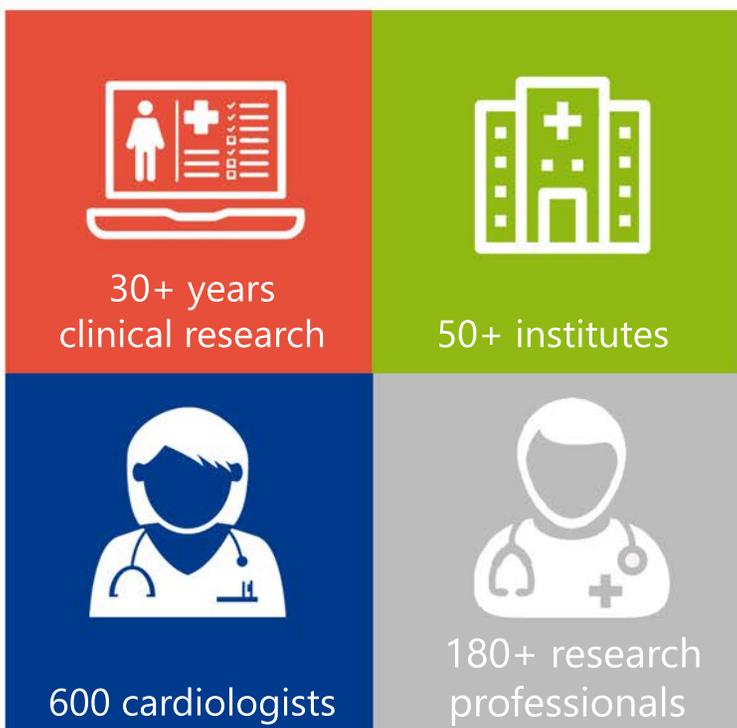

Established in 1988

OUR IDENTITY

A network of clinical investigators providing expertise in cardiovascular research. Enhancing treatment guidelines based on clinical research outcomes.

OUR MISSION

Committed to deliver high quality clinical research to improve our patients' health.

OUR NETWORK

Partners with pharmaceutical companies, CRO's and ARO's from study design to publication. Simplifies collaborations and streamlines processes. Experienced and ICH-GCP trained investigators provide scientific advice. Collaborate with skilled research professionals to deliver high quality clinical data.

OUR PORTFOLIO

Essential projects aiming to enhance treatment guidelines to better our patients' health. Multinational clinical trials and academic investigator initiated studies. Recently also venturing into the field of registry-based studies.
